

## 2018-2019 Lake County Warming Centers

Warming centers are available for residents in need of a place to warm up during severe cold weather temperatures. Hours and days may be extended under extreme conditions and some locations may close if the school district closes, so it is advisable to call before heading out. Also, it is possible additional facilities may be designated during off hours; please call 2-1-1 for information on other warming center locations.
